**Re: Request to Officially Change Redwood City's Existing Board-Approved Base
Year from 1997 to 2002**

Dear Mr. Furey:

The purpose of this letter is to request that the Generation-Based Study prepared as part of the City's 2002 AB 939 Annual Report to the CIWMB be used to officially change our existing Board-approved base year from 1997 to 2002. My understanding is that this letter satisfies the requirements of making this request and that we should expect this request to be considered by the Board at the April or May 2005 meeting.

Should you have any questions regarding this request or need additional information beyond that already provided by our consultant, ESA, please call me at 650-780-7072.

Sincerely,

A handwritten signature in black ink, appearing to read "BP", is written over a faint, larger signature that appears to read "Brian Ponty".
